

Learning Skills Centres

Term 3 2020

TAFE Queensland is committed to supporting the progress of every student from enrolment to graduation. The provision of extra-curricular learning skills is a key component of this commitment. The Learning Skills Centre caters for students enrolled in certificate and diploma programs who are seeking additional help with their course work.

Students can access Learning Skills Centre services by turning up to any of the timetabled sessions (no booking is required), enquiring with library staff at any campus, joining our Zoom drop-in sessions or emailing us.
