

RURAL SUPPORT TRAINING

Farm Safety Development Program 2

This program covers a range of areas from safely using chemicals to control pests, weeds and diseases, safely operating side-by-side utility vehicles to working safely and confidently at heights.

To ensure the safety of yourself and your workers, these accredited units will provide you with the skills and knowledge to:

- Safely apply, store and transport chemicals
- Comply with current workplace health and safety legislation and work confidently at heights
- Safely operate a side by side utility vehicle

Duration: 4 days

Fully funded under the Rural Support Training program. Eligibility criteria applies.
