## Farm Safety Development Program 3

For farm and business owners, managers and workers, working in a safe environment is a key responsibility. This program has been designed to provide the opportunity to build safe work practices in and around the workplace.

To ensure the safety of yourself and your workers, these accredited units will provide you with the skills and knowledge to:

- comply with current workplace health and safety legislation and work confidently at heights
- plan and prepare for entry and exiting of confined spaces
- apply heavy vehicle chain of responsibility legislation
- apply fatigue management strategies
- Secure, load and unload goods and cargo
- confidently respond in a medical emergency in the workplace or community

Duration: 5 days

Fully funded under the Rural Support Training program. Eligibility criteria applies.
