

RURAL SUPPORT TRAINING

Off Farm Employment Program 5

With a range of pre-employment skills and competencies in the construction, infrastructure and resource fields, this program offers the opportunity to build skills to help you gain employment. If you're working at heights or in confined spaces these programs can assist in improving safe work practices, and you'll gain the skills to test and tag electrical equipment.

These accredited units of competency will provide you with the skills and knowledge to:

- enter and work on a construction site in Queensland
- comply with current workplace health and safety legislation and work confidently at heights
- plan and prepare for entry and exiting of confined spaces
- inspect, test and tag electrical equipment

Duration: 5 Days

Fully funded under the Rural Support Training program. Eligibility criteria applies.
